

“...gives parents entertaining tools that help instill important values in children.”

—Kimberly Babwin, M.S., School Psychologist

Barf's First Flight

teaches kids moral lessons

Children will immediately be engaged with the originality of *Barf's First Flight*, the first in an adventure series that takes children around the world. “The Adventures of a Sick Bag” book series appeals to the child’s sense of humor in a respectful manner. Barf, a well-intentioned sick bag, desperately wants to help those in need. His friend Tiny the Tissue, feels the same, but the pair never quite arrive in time to help. A cast of endearing characters, including Snooty French Linen and Peppy Dot on the Spot, bring to life a moral virtue in each story; helping instill in children a compassion for others while introducing them to a world beyond their own.

“The Adventures Of A Sick Bag”

EARLY PRAISE FOR BARF'S FIRST FLIGHT

Parents will quickly become fans of “The Adventures of a Sick Bag Book Series” as each book teaches children to have compassion for others while introducing them to a world beyond their own.

“Carolyn Newcomer’s creative work gives parents entertaining tools that help instill important values in children. Every parent who understands the importance of raising respectful, compassionate children, will want to bring this humorous book into their home.”

—Kimberly Babwin, M.S., School Psychologist

“A fun, creatively written story with a wonderful message of kindness. I look forward to more of Barf’s adventures.”

—Mike Knudson, author of *Raymond & Graham—Rule the School* and *Raymond & Graham—Dancing Dudes*

“Entertaining and silly while teaching important values to kids—you don’t often find stories that can do both. Kids will love the characters and their travels; parents will love what their kids are learning.”

—Annette Voegel, Director of Children’s Ministry

FUTURE TITLES IN THE SERIES

- **Barf On the Beach** teaches kids the importance of cooperating with each other and being courteous.
- **Barf in the Hospital** touches on the very serious subject of sick children. A story of hope and inspiration.
- **Barf Goes Up** features a trip in a space shuttle. Kids explore outer space and the importance of safety.
- **Barf Winds Down** has the duo learning about different cultures and lifestyles while in Mexico.

ABOUT THE AUTHOR

Carolyn Newcomer, a mom for over sixteen years, has become a renowned expert and authority on vomiting issues. She earned a Bachelors of Science in Finance from Chico State University, and an Interior Design degree from Canada College. She is the recipient of various leadership awards through her Juice Plus business, and she volunteers for charitable bicycle rides including the MS 150, America’s Most Beautiful for Leukemia Research, and Breathe America for the American Lung Association. Carolyn resides in El Dorado Hills, California.

Parents will welcome this humorous book.
