Book of the Year Award Finalist—ForeWord Magazine

Best Books of 2006—USA Book News

**Michael Godard is America's best-selling artist!**

Covers Godard's biography—his career, his dark-period, and his most recent Art Tour and party-fests. Included are photos of many of his closest friends, fans, and collectors; including, Criss Angel, Gloria Estafan, Cristina Applegate, Ozzy Osbourne, Arnold Schwarzenegger, Jay Leno, Vince Neil, and more.

**Oversized, coffee-table showcase**

Contains over 250 original paintings, drawings, and numerous projects for celebrities and rock stars. This edition chronicles Godard's journey from troubled childhood through his rise to "rock-star-of-the-art-world" status. It's all documented in this ground-breaking edition.

196 pages with over 250 paintings, drawings, and photos of celebrities, friends, and collectors.
